Jason Wilch, Coatings Mgr.

has been in the Optical industry for over 25 years, including both retail and wholesale Lab work. He was the Coatings Mgr. for Carl Zeiss Vision SW for more than 7 years where he enjoyed developing thin film coatings stacks and found it to be both rewarding & challenging. He is very dedicated, to fabricating the best quality coatings, that current global technologies can provide!

We provide 2 Level D coatings

The Black Lab Extreme &

Extreme Blue (blue filter)

Outstanding Durability, Easy to Clean, Super Hydrophobic & Oleophobic topcoats.
